- Light Bulbs
- Appliances

Presented By:

Union Grace Church

Event Located at:

Southfield High School
24675 Lahser Rd
Southfield, MI 48075

Any questions regarding what is accepted contact Nicholas at NW@Electro-Cycle.com or 248-991-4749

• Why should I recycle my Electronic Waste?

- Conserves natural resources. Recycling recovers valuable materials from old electronics that can be used to make new products. As a result, we save energy, reduce pollution, reduce greenhouse gas emissions, and save resources by extracting fewer raw materials from the earth.
- Protects your surroundings. Safe recycling of outdated electronics promotes sound management of toxic chemicals such as lead and mercury.
- Saves landfill space. E-waste is a growing waste stream. By recycling these items, landfill space is conserved.
